Advance Notice of Year 6 Mini-Enterprise 2017

Dear Parents/Carers,

Year 6 children are given the opportunity to take part in a money making enterprise each year. In previous years, mini-enterprise projects have developed the children's confidence, communication and presentation skills, creative thinking and problem solving. The children have shown excellent teamwork and impressive leadership skills.

This year, the Year 6 children will start working on their project from Friday 12th May.

The children will be holding their

Mini-Enterprise Grand Event

on

Friday 19th May 2017

at 9:30 am and 1.45 pm

The children will be told what their project will be on Friday 12th May, once the Year 6 National Tests are over. More information and a letter about requesting tickets will be sent to you nearer the time.

We hope this letter gives you the advance notice to make arrangements in your diary.

The children are always very excited about taking part in this event. The money raised goes towards their end of year prom! Last year's project was the most successful yet and we hope, with your support, that this year's will be even more of a success.

The children and staff are looking forward to seeing you for this wonderful event.
